3. No player from the same group may be used as a sub.
4. During the competition a 2 point deduction will occur if a substitute is used but a repeat deduction will not occur if the same sub is used again even if it is for the remainder of the competition.
5. If a player withdraws from a team before the first match and a replacement is found no deduction of points will occur.
6. If during a match (at least one point played) a player has to withdraw the matches concerning this individual are conceded to the opponents. No sub will be allowed once a match is in progress. The other matches will continue as normal.
